- On September 1, 2011, the Corporation or Limited Liability Company referenced in this notice was notified that it would be dissolved unless the legally required Annual Reports and fees were submitted to the Secretary of State within 90 days.
- Since the Annual Report was not successfully filed, Montana law requires the Secretary of State to dissolve your business. - Upon mailing of this notice, dissolution proceedings against the Corporation or Limited Liability Company have been completed. The Corporation or Limited Liability Company has involuntarily given up its right to transact business in the State of Montana.

An involuntarily dissolved Corporation or LLC no longer exists and is liable for the amount of any tax, penalty, or costs to the state of Montana. Montana law requires this office to penalize Corporations and LLCs that do not comply with the Annual Report requirements provided in statute. (35-6-104, 35-8-209, MCA)
